SUPERINTENDENT'S MESSAGE

There are many periods in the lives of human beings, each with its possibilities of happiness and compensation. The twelve years you spend in the public schools of this community represent one of the happiest periods of your life. May this pictorial history serve as a memento of those happy and joyous days.

My congratulations to the Journalism class for a job well done.

MRS. MILDRED VANDOVER
Elementary Principal

We should make the most of everyday that we live. Our time should be used well. Time is the measure of our life, it is the reason for our existence and the essence of which our life is made. Time is not something that ends when the day is over and the deed is done, but when used correctly will qualify you for leading the best, the fullest and most useful lives possible. These contributes I wish for each of you.

MR. FRED PATTY
High School Principal

I sincerely hope that, we the teachers of Neelyville High School, have succeeded in developing those characteristics in our students which will help them to meet the challenge of being good American Citizens, living in a free democracy.

In return for the teaching services which we give to the students of this district, we expect the Neelyville High School graduates to carry on in the true Tiger spirit, inspired by the high ideals and standards of this school, I am sure that we will not be disappointed in this expectation.

There's a reason for a coach,
There's a reason for a team,
There's a reason why we've
got plenty of steam.

There's a reason to buy,
There's a reason to sell,
But there ain't no reason
why the students can't yell.

So shout students shout, Hallelujah!
Shout students shout, Hallelujah!
Shout students shout, Hallelujah!

Shout! Students Shout! Hallelujah!

The Juniors of 1961-62 have accomplished much in the past three years at Neelyville High. There is usually a good percent of the Junior Class on the Honor Roll. They have a good number of students in the Beta Club. They show much promise for the next year at Neelyville High and the following years in the world of business.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be from a notebook or a set of legal pads. The edges of the paper are slightly irregular, suggesting it might be a scan of a physical document. There is no handwriting or other markings on the page.
